

Underneath everything we are, underneath everything we do, we are all people. Connected, Interdependent, United. And when we reach out a hand to one, we influence the condition of all. That is what it means to LIVE UNITED.

GIVE.

Your United Way is focused on the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement, and good health. Our mission is to advance the common good in our community. With your help we can make Gloucester County a safer, healthier and better place for all of us. Make a donation to advance our work.

VOLUNTEER.

Give an hour. Give a Saturday. Give your best. We all have special talents. Things we can do to help. Whether it's reading to children, or leading financial literacy classes for hard-working families, or delivering meals to homebound seniors, there are hundreds of volunteer options available every day. Give the gift of you. Volunteer.

ADVOCATE.

Anyone can champion the cause. Whether you're speaking out to improve people's lives, reaching out to members of Congress, or wearing the LIVE UNITED shirt to show your support, you can help inspire hope and create opportunities for a better tomorrow for all of us. Lend your voice.

United Way of Gloucester County offers two programs to show our appreciation for the generous assistance provided by our contributors. It's our way of saying thanks to those who LIVE UNITED!
